In an effort to cut screen time, spend more time together as a family, make memories, and make the Holiday season magical, I have planned 14 Simple, at-home Christmas themed crafts & activities to for my husband and I to do with our 4 boys all the way up until Christmas. Each one is linked to a Inspo Image or the actual product I purchased.

*I usually do one craft a day but my boys are getting busier! So This year we're skipping the days my boys have soccer. Leaving us with 14 days of crafts and activities!
